Mounting Instructions:

1. Select a mounting location with enough clearance for the largest diameter saw blade to be easily stored and removed from the Saw Blade Post Mount assembly. Mark the center hole of the saw blade and set saw blades aside.
2. Position the Saw Blade Post Mount assembly at the marked center hole location.
3. Mount the assembly using 1/4" hardware (not supplied).

Operating Instructions:

To Stow:

1. Slide blades to be stored onto the Post (2).
2. Turn Knob (3) clockwise onto the Post and tighten against outer most blade.

To Release:

1. Turn Knob counterclockwise and remove from Post.
2. Remove blades as needed.
